## **With Train Rides Behind the Historic Sierra No. 3 All Weekend, Railtown 1897 Steam Train Operating Season Begins on Saturday, April 6**

***Calaveras, Mariposa and Tuolumne County Residents Visit & Ride FREE  
All Opening Weekend!***

**JAMESTOWN, Calif.** – Beginning in April, Railtown 1897 State Historic Park (SHP) in Jamestown will resume offering popular steam-powered excursion train rides on weekends from 11 a.m. to 3 p.m. While the Park is open daily, on weekends beginning April 6, guests will enjoy a memorable six-mile, 45-minute round trip ride along the rails of the famous “Movie Railroad.” And to kick off the new season, excursion train rides on opening weekend will be offered behind the “Movie Star Locomotive” Sierra No. 3. And, during opening weekend only, residents of Calaveras, Mariposa and Tuolumne counties can visit the Park and ride for free with proof of residency. Visitors from near and far are encouraged to step aboard a historic train ride that passes through California’s scenic Gold Country.

To kick off the first day of operations on Saturday, April 6, the public is invited to attend the “Early Bird” program that starts at 7 a.m. in the historic Roundhouse to watch as the crew lights the fire and prepares the locomotive for the day. The locomotive is started with the tossing of a burning rag into the firebox, then the crew works to fuel, lubricate and water the engine as the boiler is slowly brought up to temperature. Knowledgeable guides will be on hand in the Roundhouse to narrate every step of the process. Then, interested spectators can follow it out into the yard and watch the turntable in operation as the crew moves the locomotive into place at the Depot. The official ceremonies begin with Vietnam Veteran Jim Sutherland performing the national anthem and a raising of the flag at 9:45 a.m. followed by a grand entrance and ceremonial whistle blowing. Mark Twain (portrayed by Pat Kaunert) will have the honors to call out the first “All Aboard!” for the season at 10:45 a.m.

Throughout the day on Saturday and Sunday, many other special activities will be offered as well, including live music both days -- performed on-board the excursion trains by the popular Dave Rainwater -- tours of the Roundhouse, and demonstrations of the historic belt-driven machine shop.

Capacity is limited for tickets for the steam train excursion rides so visitors are encouraged to arrive early. All tickets include Park admission and are available on a first-come, first-served basis at the ticket window beginning at 10 a.m. on the days the trains are running. Excursion train ride tickets aboard “mountain observation cars” are \$15 for adults, \$8 for youths ages 6-17 and kids five and under are free.
